**Subject:** LEAP Report to CPCA, 2024

CPCA matches are conducted in Coquitlam, at the Port Coquitlam and District Hunting and Fishing Club (PCDHFC), with the support of the Law Enforcement Action Pistol (LEAP) Director.

The exception was for our October 5 match, where we moved location to the Abbotsford Fish and Game Club. This was to facilitate a double warm up match, in cooperation with Abbotsford PPC Director Russell Sorsdahl. We had 2 visiting international shooters and 3 out of province shooters attend these two matches, as a warm up for the National Championships the following weekend.

In 2024 we have 11 scheduled CPCA matches; these occur on the second Saturday of each month.

In addition to my CPCA duties I am the PPC Director and Olympic Shooting Sports Director for the PCDHFC; we hold monthly matches for the Olympic Pistol Shooting Sports. Under our Olympic shooting banner we have been successful in having participants purchase and sell sport appropriate hand guns. We also provide monthly PPC practice sessions year around and two evening practice sessions from May to October.

Mark Horsley  
Director - PCDHFC
